OUR GUIDING PRINCIPLES

At EXIM Group of Companies, we are guided by the timeless vision, integrity, and unwavering ethics of our founding light, a legacy reflected in every action we take and every relationship we build.

OUR JOURNEY

What started as a vision in **India** in **1994** has spent three decades quietly building something rare — a logistics group rooted in trust, grown through experience, and expanded across continents.

From freight forwarding to import logistics, tracking to technology, and the **UAE to the United States**, every step has been deliberate.

Exim Americas INC is not a new beginning. It's the next chapter of a **30-year story** — now focused on connecting America made to the world with stability and relationships that only decades in the field can earn.

From a local logistics provider to a global supply chain partner, **our journey is built on trust and performance.**
